

NUIX ADVANTAGE: BRONZE, SILVER, GOLD

Optimize outcomes with dedicated expertise.

WHY NUIX ADVANTAGE:

You've got leading-edge software, now get our leading-edge service package to ensure you get the most out of your investment. Our Nuix Advantage Bronze, Silver and Gold packages deliver ongoing strategic support. If you are new, get up and running as quickly as possible; minimize time to value. If you are already up and running, make sure performance is continually tuned and optimized to meet your changing needs, ensuring you stay on top of latest releases, and benefit from feature updates.

WHAT IS NUIX ADVANTAGE?

Nuix Advantage is a service package offering support and training to maximize the value you get from our software. By choosing Nuix Advantage, you gain exclusive insights and advice from the very team that creates the software, including a dedicated Customer Success Manager (CSM), access to Solution Consultants, and Nuix Certified Training courses. Our team is here to help you realize the full value of your Nuix solution sooner.

WHAT'S INCLUDED:

With Nuix Advantage Bronze, Silver and Gold packages, you are matched with industry experts at Nuix dedicated to improving your workflows and maximizing productivity. Get expert advice on developing specific workflows and industry best-practice, as well as technical services, and exclusive Advantage phone support. Equip your team with the latest skills and knowledge to thrive.

In addition to this, you'll receive dedicated meetings with your CSM, an annual or bi-annual health check to optimize your Nuix investment, and the development of customer specific success plans, that are developed and tracked according to your goals. You'll also receive two days of instructor-led virtual training, complete with exams and certifications, once certified, you gain comprehensive access to relevant on-demand Academy LMS training content.
