

## ONE-DAY INSTRUCTOR LED CLASS

# Nuix Investigate®

## ADMINISTRATOR

The Nuix Investigate® Administrator certification training course is intended to introduce students to Nuix Investigate management tasks, including the following:

- Identify application settings within the Nuix Configuration Utility
- Administer user group and case security privileges using the User Management Server
- Case management using Nuix Workstation
- QC case for review using Nuix Investigate
- Troubleshooting tips

Students will be enrolled in the Nuix Investigate Administrator exam. Passing of the Nuix Investigate Administrator exam is a requisite for the Nuix Forensic Practitioner Master certification.
